

WF431ABP

4.5 cu. ft. High Efficiency Front Load Washer with PowerFoam and Steam

Shown with optional pedestal

More performance, more efficiency and more washing power

The Samsung WF431 brings together a wide selection of innovative new advancements featuring Samsung's advanced PowerFoam Technology, delivering advanced fabric care and superior cleaning results. This 4.5 cu. ft. Capacity washer has 13 Cycles of operation as well as features including the Diamond Drum™ design to reduce snagging, Pure Cycle™ performance that clears any leftover water from the previous wash cycle, and the innovative VTR™ Vibration Reduction Technology™. 24-Hour Delay Start gets to work when it suits you best, and Steam Wash injection improves washing performance for superior cleaning power, and Samsung washers are ENERGY STAR® qualified so that they require less water and reduce the amount of energy required for use.

FEATURES

- PowerFoam
- Steam Washing
- Eco Cold Wash Cycle
- VRT™ - Vibration Reduction Technology
- Quiet Operation, Perfect for 2nd Floor Installation
- Stainless Steel Diamond Drum™ Design
- 4.5 cu. ft. capacity
- PureCycle™
- 13 Wash Cycles and 10 Options
- 10 Year Direct Drive Motor Parts Warranty
- 1,300 RPM Maximum Spin Speed
- Direct Drive Motor
- Internal Water Heater (Sanitize Wash Cycle)
- Water Temperature Sensor
- Energy Star® Qualified

CONVENIENCE

- Washer Drum Light
- Add A Garment Option
- Child Lock
- End Of Cycle Signal
- Delay Start - up to 24 hours
- Automatic Dispensers: Pre-Wash, Main Wash, Bleach, Fabric Softener
- English and French Controls
- Optional Pedestals or Stacking Kit Available

DESIGN/STYLE

- Designer Colours
- Weighted Touch Dial
- Graphic LED display

SAMSUNG

WF431ABP

4.5 cu. ft. High Efficiency Front Load Washer with PowerFoam and Steam

QUIET PERFORMANCE

VRT™

Using two rings of stainless steel ball bearings, one in the front of the drum and one in the back, Samsung's Vibration Reduction Technology (VRT™) provides a smooth and quiet operation and flexibility to install on a second floor or near a bedroom. VRT significantly reduces vibration and noise, and improves handling of unbalanced loads, including small loads for a quiet, pleasant laundry experience

Direct Drive Motor

Enjoy quiet, reliable operation with no belts or pulleys to cause vibration and noise

FABRIC CARE

PowerFoam

For better washing performance and superior fabric care, PowerFoam evenly distributes detergent and removes deeper stains faster than normal detergent alone

Eco Cold Wash

Use cold water and foam to clean clothes just as effectively as a conventional warm water cycle and at 65% less energy

Diamond Drum™

Samsung's exclusive Diamond Drum cradles clothing so there's less wear on fabrics. Water exit holes are 36% smaller than those found in conventional drum designs and are at the bottom of a diamondshaped surface, which significantly reduces snags and pulls

Deep Steam Cycle

Samsung's deep steam washers save time, energy and money. Deep steam cleaning boosts washer performance by loosening dirt without pre-treating

13 Preset Wash Cycles

Normal, Heavy Duty, Permanent Press, Sanitize, Bedding Plus, Deep Steam, eco Cold Wash, Stain Care, Active Wear, Delicates/Hand Wash, Wool, Quick Wash, Rinse and Spin, Spin Only

10 Options

Steam, PureCycle™, Delay Start - Up to 24 Hours, My Cycle, Prewash, Extra Rinse, Extended Spin, Child Lock, Add a Garment, Drum Light

5 Temperature Settings

Extra Hot/Cold, Hot/Cold/, Warm/Warm, Warm/Cold, Cold/Cold

5 Spin Speeds

Extra High, High, Medium, Low, No spin

5 Soil Levels

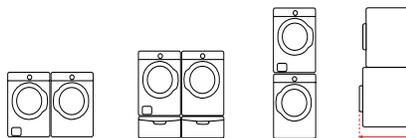

Heavy, Heavy to Normal, Normal, Normal to Light, Light

ACCESSORIES

Stacking Kit: SK-5A

Pedestal: WE357A0P
